## Interested in a Career in the Utility Industry?

### Quick Path to Energy Program

#### Career & Technical Education Training

- Quick Path to Energy Program is a direct solution to meeting the utility industry's immediate need for skilled workers.
- Our goal is to facilitate high-skill and high-wage employment through a series of career and technical education and industry-preparatory training sessions, academic refresher virtual seminars, and workforce preparation.
- At the end of the program, successful participants may have the opportunity to complete the pre-employment process, including an interview with ACE or another industry-leading company.
